ST. PAUL FEDERAL CREDIT UNION RECEIVES CELEBRATE BUSINESS SUCCESS AWARD AT CHAMBER'S MAY MEMBERSHIP MEETING

(SAINT PAUL, MINN., MAY 28, 2014) - Theresa Malone, President, accepted the Celebrate Business Success Award today on behalf of the St. Paul Federal Credit Union at the Saint Paul Area Chamber of Commerce's May Membership Meeting.

St. Paul Federal Credit Union has been serving members since 1954. They have a strong presence in our community and within our membership and are financially sound. The core philosophy at St. Paul Federal Credit Union is "People Helping People," and they believe that serving the member relationship is the backbone of the credit union. The Board of Directors, management and staff, and volunteers are committed to the organization's success. They treat members as "family" and have a strong belief in helping others improve their financial well-being. This is demonstrated through financial education, workshops for the membership, and employee engagement, and by providing financial products and services that meet the needs of their members, and potential members. St. Paul Federal Credit Union took financial education a step further by opening two student-run credit union branches at Como Park Senior High School and Harding Senior High School. The student-run branches give every student the opportunity to learn personal finance through classroom presentations to hands-on learning in the branches.

In 2005, the Saint Paul Area Chamber of Commerce created a recognition program called Celebrate Business Success to honor businesses and individuals in the community. The program has become a tradition at the Chamber and recognizes those who provide leading examples of how members of the business community contribute to a shared vision of economic success throughout the Saint Paul/East Metro area. The Chamber receives hundreds of nominations each year, from which about 15 winners are chosen. Winners are presented with the award at Chamber events throughout the year.
